

EPSON EB-84L

FACTSHEET

Launch date: February 2010

High Brightness and Low Maintenance Cost

Perfect for any presentation, the easy to use lightweight EB-84L projector provides first-class images, has a range of innovative features and is extremely energy efficient.

The EB-84L projects in almost any meeting room conditions thanks to its Colour Light Output of 2400 lumens. The projector offers you the flexibility to install it on the ceiling, or to use it as portable projector thanks to its light weight and carrying case.

Its exceptional value is complemented by an outstanding 6000 hours lamp life time, offering you extra peace of mind. Added with a 2000 hours filter maintenance cycle, the TCO is dramatically low. The EB-84L is definitely your preferred partner for your presentations.

KEY SELLING POINTS

- 6000 hours E-TORL long-life lamp
- Low Total Cost of Ownership
- USB Display: PC & Mac Compatible
- Microphone input and 10W speaker
